

Carnival FunPass

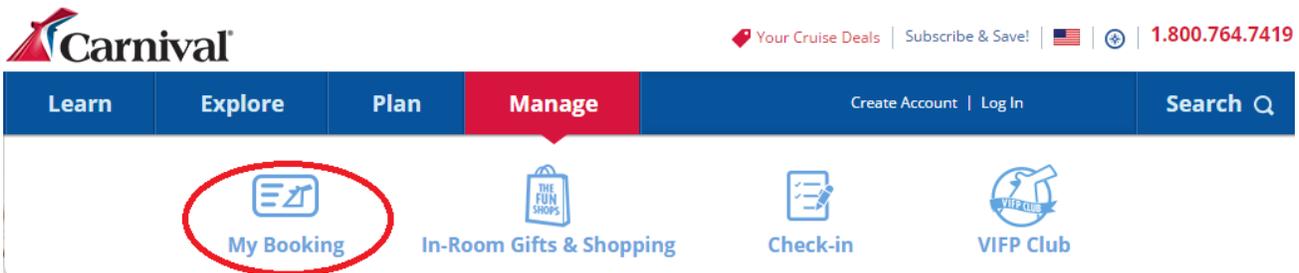

The final countdown for Passport to Discovery has taken place! Have you completed your FUNPASS **online** with Carnival? Please do it now while we still have some time!

Please note that **online FunPass registration closes 48 hours prior to sailing.**

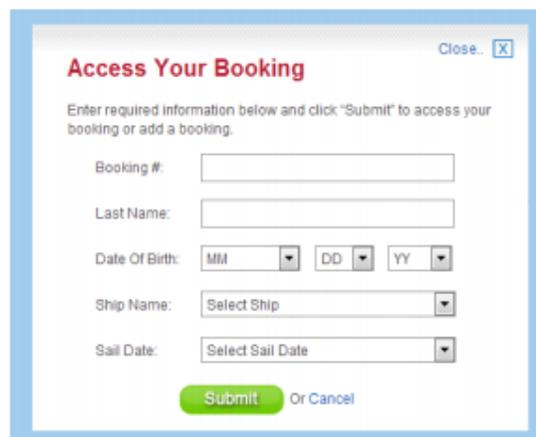

If you do not complete it by then, you will need to do so at the port.

REMINDER: Contestants who are traveling unaccompanied DO NOT need to complete their FunPass. This is for contestants traveling with a guest!

1. Visit www.carnival.com and click the "Manage" tab at the top of the screen. A menu will drop down and click "My Booking."

2. This will bring you to the welcome screen. If you are already a member with Carnival or would like to become one, you can log-in to your account or sign up by clicking the green "Login/Join" button. From there if you are a first time user, you will create your own account and enter **your own** login and password.
3. The next screen will appear that will ask for your booking information. First you will be asked to enter your booking number; this is your 6-digit Carnival reservation number provided by your PTD Ambassador. You will then enter the last name and date of birth of the traveler, followed by the name of the ship (CARNIVAL PARADISE) and the date of sailing (OCTOBER1, 2016). Click submit.

The screenshot shows the 'Access Your Booking' form. It has a title bar with 'Close' and an 'X' icon. The form contains the following fields:

- Booking #:
- Last Name:
- Date Of Birth: MM DD YY
- Ship Name:
- Sail Date:

At the bottom of the form are two buttons: a green 'Submit' button and a blue 'Or Cancel' link.

Carnival FunPass

4. This will bring you to your Carnival reservation. You will click on the “View Details” button under the To-Do List column. You will then click on Check-In (FunPass).
5. Follow the prompts to fulfill the required information: Citizenship Verification, Contact Information, Documentation Information, an Emergency Contact not sailing with you, and you will set up your Onboard Spending Account.
6. Once all this information is inputted into the system, your FunPass will be complete. Once all of this is complete you can also view and print your Cruise Documents, which include: Luggage Tags (you must print these before traveling to Tampa!), Boarding Pass, and General Information (booking summary, travel notes, purchased services, etc).

IMPORTANT NOTE:

It is important that guest names on travel documents (passport, birth certificate, etc) and Photo I.D. be identical to those in the Carnival system. If your name does not match what appears in the Carnival system, please contact your Passport to Discovery Ambassador immediately by calling 1-855- 777-4463. You may also email us at competition@barbizonusa.com.

This FunPass Check-In is a quick process that will save you a lot of time at the pier, so definitely fill it out in advance and have a wonderful cruise!
